

Key statistics

Rooney rules

1	Rooney	11
2	Aguero	8

United's Wayne Rooney is the record scorer in the history of the Manchester derby with 11 goals. The injured Sergio Aguero heads the list of active City players with eight.

Old Trafford blues

The last four meetings at Old Trafford have produced 19 goals, with City scoring 13 of them.

City have won thrice, including a 6-1 win in 2011. However, United won 4-2 last season. Before winning there on their last four visits, City had won only once in 33 visits.

In-form new man

Kevin de Bruyne has scored three goals and recorded three assists in five Premier League games.

Manchester tops spending table

United	£128m
City	£156m

City were English football's biggest summer spenders, agreeing fees that could rise to £156 million (\$334 million). United were the second biggest at £128 million. If add-ons are triggered, the clubs will pay £284 million.
