

The recommendations

The Committee on the Future Economy outlined seven strategies for Singapore to stay ahead in a challenging global climate. They aim to help the country stay open and connected, ensure its people acquire skills for future jobs, and help companies scale up through innovation and transformation.

1 Deepen and diversify our international connections

2 Acquire and utilise deep skills

3 Strengthen enterprise capabilities to innovate and scale up

4 Build strong digital capabilities

5 Develop a vibrant and connected city of opportunity

6 Develop and implement Industry Transformation Maps

7 Partner one another to enable growth and innovation
