President of
Football Association of Singapore

#01-02 Jalan Besar Stadium

Dear Mr Nordin,

REQUEST FOR DONATION

I hope this letter finds you well.

I would like to take this opportunity to thank you for sharing and giving us the opportunity to contribute to the development of Football Association of Singapore and ASEAN Football Federation through the proposed Football Management System.

Football has various stakeholders including players, coaches, volunteers, parents and administrators who are actively involved in the management and running of our beautiful game. I agree with you that these stakeholders in this region face serious challenges in terms of the lack of management and operation resources available to assist them in discharging their roles and responsibilities. I am confident that the proposed Football Management System will help all these stakeholders to enhance their management and operational capabilities to realise the true and full benefits of football on social, economic and community levels.

I am happy to inform you that that we will contribute S\$500,000 to ASEAN Football Federation through FAS to develop this Football Management System.
