

Change to distance fare transfer rules

Currently, commuters travelling from Little India to Bendeemer have to pay \$1.16 for the 20 minute, 12 stop journey.

However, if they exit at Rochor and take a five minute walk to Jalan Besar, they would save about 5 minutes, but incur an additional 77 cent boarding charge when tapping in. The trip would cost \$1.54.

Under the new rules, there will be no charges for such transfers made within 15 minutes. The same trip would cost 77 cents.
