

Jerusalem at core of conflict

Since the Six Day War in 1967, when Israel captured the Gaza Strip from Egypt and the West Bank and East Jerusalem from Jordan, among other land, Israel has expanded its territory beyond the "Green line" borders delineated by a 1949 armistice between Israel and its Arab neighbours.

- Jerusalem city boundary
- Route of West Bank barrier
- Green line (1949 armistice)

- Full or partial Palestinian control
- Israeli-controlled West Bank
- Jewish settlement
- Jewish outpost
