

“ As an insurer, AXA wants to empower people in Singapore through greater assurance that their lives can be healthier so they can pursue their aspirations with peace of mind. We strive to achieve this by offering products and services that support our customers' health and well-being, whether they are a Singaporean looking for protection for their everyday healthcare needs or an expatriate seeking optimum healthcare coverage for their family during their time in Singapore. ”

Juliet Khew

Managing Director, Health, AXA Insurance
