

One way	Miles conversion yield rate (in S\$) vs its commercial fare			
	Economy ticket price	10,000 miles yield	Business ticket price	10,000 miles yield
Houston to Singapore	\$843	\$211	\$4,925	\$497
Nagoya to Singapore	\$902	\$361	\$2,256	\$480
Ho Chi Minh City to Singapore	\$202	\$161	\$665	\$309

Note: Singapore Airlines economy and business class fares are available in three categories – Lite (least expensive, with the most restrictions and limited seats), Standard and Flexible. For redemptions, there are Saver (less miles required but limited seats) and Advantage Awards (requires double the miles of Saver). The conversion rates above are based on the Standard Fare ticket prices and miles required for Saver Award redemptions, sourced from its website in mid-October this year for travel dates in early December this year.
