

# Clap For #SGUnited

at 8pm tonight

Until we can come out the other side, it's not too much to ask

**MARTIN VERGA**

- Last Monday at 8pm, thousands in Singapore clapped in appreciation of those on the front lines of fighting Covid-19.
- British expat Martin Verga, who started the campaign, hopes it can happen every Monday.

## #StayHome

from tomorrow to May 4

- Please stay home as far as possible when new "circuit breaker" measures to stem Covid-19 kick in from tomorrow.
- Staying home will cut down the risks of transmission, and lessen the load on hospitals and our front liners.
