

Total lockdown

Most economic and social activities will cease from tomorrow to June 14 as Malaysia enters a total lockdown to stem rising Covid-19 infections. Here are the key restrictions.

BUSINESS ACTIVITIES

Shopping malls and most factories shut

Supermarkets, pharmacies, petrol stations stay open

Transport services to continue running

Opticians, hardware stores and vehicle workshops can open

Banking and financial services allowed

Hotels can operate, but for quarantine purposes only

Food and beverage outlets can operate, for takeaway and delivery

Critical construction work, like maintenance of public infrastructure, can continue
